5 Bedroom, 3.00 Bathroom, 1,781 sqft
Residential on 0.17 Acres

North Glenmore Park, Calgary, Alberta

Just steps from the Earl Grey Golf Course and minutes to the Glenmore Reservoir, this extensively updated bungalow offers nearly 1,800 sq. ft. above grade and sits on a generous 74 ft lot—one of the largest in the community at 7,287 sq. ft (676.98 sq. m)—featuring the rare advantage of an attached garage with epoxy flooring in an inner-city location. The home boasts 3 bedrooms up, 2 down, and 3 full bathrooms, including a stunning ensuite in the primary bedroom with a large walk-in closet. The open-concept kitchen includes a quartz island with a waterfall profile that seats four, along with ample storage cabinetry in both the kitchen and dining areas. A two-sided gas fireplace creates a cozy ambiance between the spacious living and family rooms. Additional highlights include a mudroom off the attached garage, a front hall closet, and a beautifully developed lower level featuring a feature gas fireplace in the expansive rec room, an updated laundry area with storage and a beverage center, a full bathroom, and two well-sized bedrooms. Outdoor living is a delight with a massive deck accessed through patio doors, a charming pergola, and tasteful cedar accents complementing the modern acrylic stucco exterior. A rare opportunity in North Glenmore, where bungalows with this level of space and updates seldom come to market.
